

FREE SOFTWARE FOR CHARITIES TERMS AND CONDITIONS

- The free software licence agreement will be issued by Thesaurus Software Ltd to registered charities only.
- A registered charity number must be provided and will be verified by Thesaurus Software Ltd.
- Registered charities must be set up for the common good of society and a non profit organisation.
- For the purpose of issuing free licences the following organisations are not deemed as registered charities by Thesaurus Software Ltd:

Schools, CE Schemes, Playgroups, Childcare Committees, Social Development Funded Projects.

This list is not exhaustive.

- An email should be sent to sales@thesaurussoftware.com requesting a free licence and clearly stating the registered charity reference.
- Thesaurus Software Ltd will review each request and reply with a decision on whether or not the applicant qualifies for a free licence.
- A licence is required each tax year; therefore application by email should be made each tax year.
- Thesaurus Software Ltd reserves the right to amend these terms and conditions or to terminate the issue of free licences.
